Late fees will be added to child's account and must be paid no later than with the following month's tuition. Never drop a child off in the morning if the teacher is not in the classroom. Emergencies do arise that may prohibit your child's teacher from being there from time to time. Stay with your child until properly supervised. If this becomes a chronic problem, please inform the Director immediately.

Our PDO & preschool learning begins daily at 9 a.m. Please have your child at Blackwater no later than 9:15 a.m. so that your child gets the most out of our learning program. We understand extenuating circumstances arise, such as doctor's appointments, and we are happy to make exceptions in these cases with a doctor's note.

VI. Discipline Policies:

Safety is a primary concern at Blackwater PDO. The staff at Blackwater PDO wish to promote acceptable behavior among its students through positive reinforcement techniques. **NO CORPORAL PUNISHMENT WILL BE USED!**

- A. Each teacher will develop simple, age-appropriate guidelines for the classroom and outside playtime.
- B. The teacher will be consistent in stating these guidelines.
- C. Sometimes simply removing the child from the activity is enough to discourage inappropriate behavior. However, "Time Out" may be used if deemed necessary. A child will never be "put in a corner" but instead placed in "Time Out". This will emphasize to the child that his/her behavior is inappropriate. Children occasionally need a few moments to calm down and remember the guidelines set forth in the classroom. After an appropriate amount of time (one minute for child's age in years or less) the child is once again welcomed

back to the class activity. Our intentions are to model acceptable social behavior, not to punish those children who are learning and practicing what it means to live and function in a civilized society.

- D. There may be times when behavior is unsafe to the child or other children and immediate action must be taken. If “Time Out” does not work and the dangerous behavior continues, then the teacher will bring the child to the Director. The behavior will be discussed and possible alternative plans will be implemented. A parent conference will be called if necessary. The parent will be notified if a child is brought to the Director for serious behavioral problems.
- E. There will be instances where special programs will be developed to help a child with certain behaviors such as biting or hitting with injury. The child will be placed in “Time Out” so that the injured can be attended to immediately. The parent(s) of the children involved will be notified and a conference may need to be scheduled to develop a plan of action to eliminate the behavior. The parent, teacher, and the Director will work closely with the child that is causing significant injury to eliminate the behavior. Once the plan has been implemented for 2-4 weeks, if the behavior continues to persist (3x or more), the child may be asked to withdraw from school.
- F. The guidelines at Blackwater PDO are kept simple. We wish to teach the children generally agreed upon good manners, Christian behaviors and attitudes towards others. The children will be given ample time to practice the classroom guidelines before “Time Out” is applied. We will make every effort to inform the parent if behaviors become a problem.
- G. We encourage and appreciate information regarding home discipline procedures and working together with parents to solve behavior problems.

VII. Miscellaneous Information:

- A. Parents of children at Blackwater PDO will receive a monthly newsletter.
- B. We have an “Open Door” policy and parents are welcome at any time.
- C. Inclement Weather: We follow the same policy as the Central Community School System when determining inclement weather days. By listening to the radio or television during inclement weather, you can determine whether or not we will have school.
- D. Dismissal: In order to protect your child, please inform us if someone else is to pick up your child. Please inform family and friends that we will ask for identification until we recognize them. You may add or delete names from your original list at any time.
- E. Lunch: Each child needs to bring a lunch and drink each day. Parents should always strive to provide their child with a well-balanced and nutritious meal. **DO NOT SEND CANDY OR SOFT DRINKS IN YOUR CHILD’S LUNCH.**
- F. Wish List: A wish list sometimes appears in the monthly newsletter. These are items that the teachers need that you might have around the house and are willing to donate to the school. A wish list can always be found on Amazon.com for Blackwater PDO.

- G. Resource Speakers: On occasion we may have a Resource Speaker from the community come share their talents with the three- and four-year-olds; i.e., doctors, firemen, etc. If you are interested in sharing your talents with the students, please be sure to let us know.
- H. Holidays: Blackwater PDO normally follows the Central Community School System calendar with a few exceptions. The school celebrates some holidays with parties. Two or more parents may be asked for each party to help with planning, decorating and activities. The holidays usually celebrated are Halloween, Thanksgiving, Christmas, Mardi Gras, Valentine's Day, Easter, and End of the Year Activities. Parents may bring treats for the class to celebrate your child's birthday. Please make arrangements with the Director before sending treats to school. Personal gifts should not be brought. Birthday party invitations may be passed out at school only if the entire class is invited.
- I. Chapel: A Bible lesson will be done daily in the foyer, with a few exceptions, by the Director for three- and four-year-old classes.
- J. Car Seats: A child should not ride in a car without a car seat. Your child will not be released to your care if you do not have a car seat to safely transport your child.
- K. Potty Training: These guidelines are established in order to assure safety and autonomy for your child as they develop correct sanitary and developmentally appropriate bathroom habits. Even in an older child, it is important to look for signs of readiness before you begin potty training, including:
- i. staying dry for at least 2 hours at a time
 - ii. having regular bowel movements
 - iii. being able to follow simple instructions
 - iv. able to help dress and undress self
 - v. has a name for urine and bowel movements
 - vi. being uncomfortable with dirty diapers and wanting to be changed
 - vii. asking to use the potty chair
 - viii. asking to wear regular underwear
- a. Potty training concerns should be discussed and agreed upon by the teacher, parent and Director.
 - b. Parents should send children in clothes that are easy for the child to dress and undress themselves.
 - c. Parents should support potty training at home and communicate problems to the school.
 - d. Teachers should provide scheduled potty times as well as need based opportunities.
 - e. Teachers are to encourage independence, although children can be placed on the potty and removed from the potty by the teacher.
 - f. Teachers are not allowed to stay in the bathroom with the child.
 - g. Potty training starts in the two-year-old classrooms.
 - h. In order to attend our K-3 & K-4 programs, children must be fully independent in the bathroom.
- L. Social Media/Photo Release: Occasionally, photographs of the children may be used in advertisements and/or on Blackwater UMC's website. Blackwater PDO has a closed group

on Facebook where photos may be shared. The group is only open to family members of current students. *Please note that if you add someone to that group they may not be approved if they aren't on your child's pick-up list.*

VIII. Clothing

- A. Please make sure your child is dressed in comfortable, easy to fasten clothing that will encourage self-sufficiency. Tennis shoes or soft-soled shoes are our choice for school shoes. You will be asked to pick up your child or bring them a different pair of shoes if inappropriate shoes are worn (i.e. hard soled shoes, cowboy boots) Always make sure a weather appropriate full set of extra clothes (including shoes & socks) is carried in your child's book sack at all times, including diapers or pull-ups if needed. Please LABEL all outer garments (coats, mittens, hat, etc).

IX. Items to Send for your Child:

All students:

- An all-in-one nap mat.
- A back pack (to hold any papers, artwork, change of clothes, etc.)
- A lunch and drink for your child. Send lunch in a labeled lunch box. **Label all containers sent in your child's lunch. Cut up all food items into small pieces to help prevent choking, especially grapes and hot dogs. Do not send candy or soft drinks in your child's lunch.** (a bib may be sent for one-year-olds, if needed)
- A change of clothes for accidents to be kept in the classroom. Please place in a Ziploc bag and label with your child's name. Please be sure that clothes are weather appropriate.
- Be sure to label all items that you send to Blackwater PDO. It is difficult for us to identify all of your child's belongings. Example: back packs, diaper bags, clothing items, diapers, pull-ups, jackets, coats, lunch boxes and individual containers placed in the lunch box, cups, bibs, blankets, sleep toys, pillows, etc. This helps to ensure that we return all items to the correct child. If an item should come home with your child that is not yours please return it on the following day letting your child's teacher know so that they can return it to the correct child.

PDO – One-, Two-, and Three-year Old Classes only

- A small stuffed animal and/or pacifier, if needed, for rest/nap time (optional)
- A sippy cup to be sent to school each day labeled with your child's name.
- Diapers or pull-ups to be left at school. Replenish as needed.

Please sign and date to acknowledge you have received and understand our Handbook policies and procedures. Return this portion to the Director upon registration.

I have read, understand, and will follow Blackwater Parents' Day Out policies and rules.
